### III. SOME NICE THINGS HAPPENING

There are many programs in which our schools participate and receive little or no recognition outside of a particular building. Occasionally, the Superintendent will present "Some Nice Things Happening in Our Schools" as an agenda item (see attachments). Tonight, the Board will recognize:

#### 1. **Autumn Vollmer, 11<sup>th</sup> Grade, 2025 District Holiday Card Designer**

For the 34<sup>th</sup> consecutive year, Roseville Community Schools has provided the opportunity for students to create a unique design for the district holiday card. This year, with the direction of Roseville High School Art Teacher Fiona Rawson, the winning entry was created by 11<sup>th</sup> grade student Autumn Vollmer, daughter of Sharon Kolarich.

#### 2. **Art Teachers Enhance Board Room with Student Artwork Display**

Art teachers at all three levels have been providing beautiful displays of student artwork in the Board Room for many years. The artwork is changed monthly, and it is always a pleasure to see what comes next. The Board would like to recognize the creativity of these dedicated teachers and thank them for encouraging students to be imaginative and highlight their talents.
