

SENIOR INFORMATION!

Post-Secondary Planning Tools:

1. Complete your **career interest inventory** on **Xello** if you haven't already! Xello is a website that provides you with information on colleges, trades, training, and programs that align with what career path you are looking into. Go to www.tinyurl.com/rcsxello or scan the QR code! Make sure you are logged in with Microsoft.
2. To access **college information** and compare/contrast universities, go to www.collegerover.com or scan the QR code.
3. To access **military information**, go to www.military.com/join-armed-forces or scan the QR code.
4. To access **construction related trade schools and apprenticeship** information in Metro Detroit, go to www.mustcareers.org or scan the QR code.
5. To access other **professional trade careers** in Michigan, go to www.going-pro.com or scan the QR code.
