

What is TIP?

The Tuition Incentive Program (TIP) Phase I encourages students to complete high school by providing college tuition assistance after graduation towards a certificate or associate degree.

After earning a certificate, associate degree, or 56 transferable credits, the student can then be eligible to receive TIP Phase II, up to \$500 per semester while pursuing a bachelor's degree, not to exceed \$2,000 total.

Do you know if you enrolled in Medicaid?

If so, then you might be TIP eligible! Students enrolled in Medicaid for at least 24 months within a 36 month period between age nine and high school graduation may be eligible.

What institutions participate in TIP?

See the reverse side of this flyer to learn which institutions participate and how much TIP covers at the different types of institutions. Note: Only the first Michigan institution listed on your FAFSA will be notified of your eligibility for TIP.

Are there any additional program requirements?

Yes, students must also:

- Submit a FAFSA.
- Earn a high school diploma or its recognized equivalent prior to age 20.
- Be a Michigan resident.
- Be a U.S. citizen, permanent resident, or approved refugee.
- Enroll at least half-time (six or more credits) at a participating Michigan institution.
- Not be in default status on a Federal student loan.
- Meet the institution's Satisfactory Academic Progress (SAP) standards.
- Begin using TIP at a participating institution within four years of high school completion.
- Be aware that all program eligibility expires ten years after initial payment.

Current and future awards are subject to available and approved funding.

How do I check my eligibility?

There are two ways to check eligibility:

- 1. Online with the MiSSG Student Portal at michigan.gov/missa.
- 2. Over the phone with our Customer Care Center at 888-447-2687.
